

## Information about the Award

**The international prize "Ecology is Everyone"** was created by Rosprirodnadzor on March 31, 2021 and is held annually (Rosprirodnadzor is the main regulatory body in the Russian Federation for the protection and protection of the environment, including Red Book animals).

**Applications are accepted** from August 1, 2024 to April 1, 2025.

To participate in the competition, **you must register on the website once** [www.ecologyiseveryone.ru/en/](http://www.ecologyiseveryone.ru/en/).

Then you can upload your work in unlimited quantities until April 1, 2025.

Summing up - July/August 2025.

You can participate by yourself or by a team, as well as by an institution.

**The award has 12 nominations.**

**The age of participation is 0+**, depending on the nomination.

There are **two team nominations** in the competition - "Eco-family" (we talk about the initiatives of our family, friends, etc.) and for institutions - "Eco union" (we talk about the environmental initiatives of the institution).

There are also **10 individual nominations**.

The form of participation in the competition is a video clip lasting from 1 to 3 minutes for the nominations: "Ecoworld" (any form of creativity - songs, dances, poems, reflections, ideas), "Ecoblogger" (reports, podcasts, video stories, video blogs), "Ecocartoon" (creating animation in any way), "Ecoproject" (creating your own development, technology or idea in the field of ecology with a request for funds for its implementation), "Generation of the Future" (creating an idea in the field of ecology, environmental protection), "Ecotourism" (showing tourism in your region from the point of view of ecology), "Eco-education" (talking about our own initiatives related to ecology), "Ecology of the soul" (creativity of any form for adult participants).

The nominations "Ecodrawing", "Ecofocus" are submitted in the format.JPG

**Gifts for laureates, prize-winners and active participants:** tablets, smartphones, laptops, smart speakers, cash certificates (for winners in the nomination "Ecoproject"), vouchers to a children's camp on the Black Sea, additional points for admission to more than 115 of the best universities in Russia. Including winners and laureates with a high USE (unified state exam) score and a certificate of the Award can apply for a budget or grant place to study at universities such as RUDN (Peoples' Friendship University of Russia, Moscow), HSE (National Research University Higher School of Economics, Moscow), NCFU (North Caucasus Federal University, Stavropol). All participants receive electronic certificates for participation, and their mentors receive thanks signed by the Head of Rosprirodnadzor Svetlana Radionova.

Since the beginning of the project, **more than 210 thousand applications** have been received from participants **from 78 countries**, including from all 89 regions of Russia. The geography of the project covered **all 5 continents** – Australia, Africa, Eurasia, North and South America.
